COLLAGEN COSMETIC TREATMENT SISSI

45,-€

Collagen treatment with immediate smoothing of the skin. It slows down the aging process and perfectly smoothes wrinkles. Thanks to the restoration of collagen balance, the treatment is long-term. The duration of the procedure is 60 minutes. Suitable for all ages

The procedure includes:

Cleansing with cream. Cleanse with skin tonic. Ultrasound treatment using the Maya device.

Collagen gel for wrinkles. Lifting mask with ASC III to support collagen production. The resulting cream with a powder effect for all skin types

HYALURONIC TREATMENT ANTIAGE 35+

37,-€

This modern cosmetic treatment visibly improves the appearance of dehydrated skin. The treatment uses products that contain hyaluronic acid, which hydrate the skin into deeper layers and at the same time can accelerate cell structure, skin firmness and tissue regeneration. The treatment lasts 60 minutes

The procedure includes:

Cleansing with lotion, cleansing with tonic, ultrasound treatment with Maya device, skin serum with retinol with algae extract and hyaluronic acid, mask with hyaluronic acid, final cream with powder effect for all skin types

COSMETIC TREATMENT OF PROBLEM SKIN

33,-€

It hides and regulates sebum production, balances the pH on the skin surface. Removes impurities and dead cells, narrows pores. For problematic skin prone to acne, oily, sensitive and irritating skin that needs to be soothed. Treatment time 60 minutes

The process includes:

Cleansing with lotion, cleansing with skin tonic, depending on the condition of the skin - ultrasound or hand treatment, soothing mask with panthenol, final cream with powder effect
